

She doesn't
Worry
about
Cooking

The Mother's Oats
Free Fireless Cooker is doing her
work. And much better than she
could do it.

Suppose she falls asleep. When her husband
comes home and wakens her, all she will have to
do is to go to the Fireless Cooker and take out
the perfectly cooked and steaming hot dinner
that will be all ready. Nothing that's put in the
Mother's Oats Fireless Cooker can burn or boil over.
It cooks everything and several things at once.

It's especially planned to prepare that ideal food—

Mother's Oats

(REGULAR AND FAMILY SIZES)

which are not like "others" oats. They're not only rolled
(to make easy cooking) but are crushed (to make easy
digestion). Easy work for the cook and easy work for
the stomach.

If you are a user of MOTHER'S CEREALS: Mother's Oats,
Mother's Corn Meal (white or yellow), Mother's Wheat Hearts (the
cream of the wheat), Mother's Hominy Grits, Mother's Corn Flakes
(toasted), Mother's Coarse Pearl Hominy, Mother's Old Fashioned
Steel Cut Oatmeal, Mother's Old Fashioned Graham Flour, you can
get a Mother's Oats Fireless Cooker free with coupons. Ask your grocer.

American Trait Undeveloped.

It is too early to form conclusions
about the American traits. The
United States is not the only country
that has shown assimilative powers.
England, on a lesser scale, has en-
gaged in the work with signal suc-
cess. At times she has absorbed
relatively large numbers of foreigners
and completely Anglicized them, but
at present her native born population
is so much greater than her foreign
that the latter is insignificant by
comparison. It is possible, therefore to
speak of the British with some degree
of propriety. But to attempt to de-
scribe the merits or the shortcomings
of the people of the United States as
American traits are foolish. We shall
not know what the real traits of
Americans are until the shaking-
down process is completed.—San
Francisco Chronicle.

First Inheritance Tax Payment Is Made

The state received its first money
under the inheritance tax law passed
by the last legislature. The money
was in the form of a check for \$531.
47 It was turned over to the State
Treasurer, Mark Tulley yesterday.
It is the state's share of the estate of
James L. Patten, of Cowley county,
who died a short time ago. Mr.
Patten left an estate valued at \$18,
648.48. It was equally divided
among brothers, sisters and a niece.
The rate of taxation in this case was
three per cent. There are several
other cases in which the state will
receive money under the law, but
this is the first case where an actual
payment has been made.

Remarkable Success of This Talented Physi-
cian in the Treatment of Chronic
Disease Offers His Services

FREE OF CHARGE!

The Kansas City doctor, licensed
by the state for the cure of deformi-
ties and all nervous and chronic
diseases of men, women and children,
offers to all who call this trip, consul-
tation, examination, advice free, mak-
ing no charges whatever, except the
actual cost of the medicine. All that
is asked in return for these valuable
services is that every person treated
will state the result obtained to their
friends and thus prove to the sick
and afflicted in every city and locality
that at last treatments have been dis-
covered that are absolutely sure and
certain in their affect.

This doctor is considered as
America's leading stomach and nerve
specialist, and is an expert in the
treatment of all chronic diseases, and
so great and wonderful have been
his cures that in many cases it is
hard indeed to find the dividing line
between human skill and miracles.

Diseases of the stomach, intestines,
liver, blood, skin, nerves, heart,
spleen, kidneys or bladder, rheuma-
tism, sciatica, diabetes, bedwetting,
leg ulcers, epilepsy, weak lungs, and
those afflicted with long standing,
deep-seated chronic diseases that
they have baffled the skill of the
family physician, should not fail to call.

MOST WONDERFUL CURES.

No more operations for appendi-
citis, gall stones, tumors, goitre or
cancer. He was the first in America
to earn the name of the "Bloodless
Surgeon," by doing away with the
knife, with blood and with all pain in
the successful treatment and cure of
these dangerous diseases.

If you have kidney or bladder
trouble bring a two ounce bottle of
your urine for chemical analysis and
microscopic examination.

Deafness often cured in sixty days.
No matter what your ailment may
be, no matter what others have told
you, no matter what experience you
may have had with other physicians,
sanitariums or patent medicines, if
you want to get well again, it will be
to your advantage to see him. Go!
Have it forever settled in your mind.
If your case is curable, he will
treat you, if incurable, he will give
you such advice as may prolong
your life. Do not put off this duty
you owe yourself or your friends or
relations who are suffering because
of your sickness, as a visit this time
costs you nothing and may save your
life.
